

AFTER ODELL

*[part XVIII of the ongoing **TASK** series]*

Ryan Carraher (2022)

- (1) Read **How to Do Nothing** by Jenny Odell [not required, but highly recommended!];
- (2) Pick a local, outdoor, public space [e.g., a park];
- (3) Learn about the history and wildlife of the place. Odell suggests the **iNaturalist** app to approach the latter;
- (4) Set up a little lemonade-stand-like structure in the park, post a sign that says “Free Tours!”;
- (5) Take anyone interested on a brief tour of the area. Point out the types of foliage, the types of wildlife, and discuss the history of the area.
- (6) Perhaps have a drink with a new friend.
